

2011/2012 Leadership Contract

I understand that by being a member of the Evergreen leadership team, I am expected to uphold all rules and expectations of the band and orchestra. I will set a positive example for my peers and always make good, altruistic decisions with the ideals of the band in mind including ***being at and early to all events***. I promise to be a cooperative member of the leadership team and find ways to help people in positive ways. I understand that my position is one that requires a great deal of effort, time, and service to the band and orchestra. **Further, I understand that if I should be a part of any malicious activity or anything that would go against this contract or the rules/ideals/philosophy of the Evergreen Band and Orchestra, my position on the leadership team will terminate immediately.** I hereby dedicate myself and my services to the band/orchestra to uphold the traditions of *professionalism, integrity, pride, and leadership*.

“The more you give the more you get, but the more you get the more you have to give.”
