

Welcome to Charms

Charms is an exciting new program that the directors and boosters of the Evergreen High School Band and Colorguard is working to implement into use.

The purpose of Charms is to keep you, parents and students, up-to-date on everything you need to know regarding the EHS band program. Soon, we will be able to track uniforms and instruments, sign up to volunteer and check your student account. Right now, you can enter through the internet and view the calendar, get the handouts the directors are posting and update your own information.

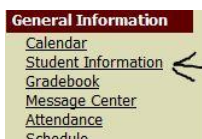

Here is everything you need to know in order to log into Charms:

First you will need to know your students ID number, it can be found on the School Wires website. Hopefully you have already received your password for School Wires from the school district. Log onto, www.schools.evergreenps.org, click on family

access in the upper right hand corner.

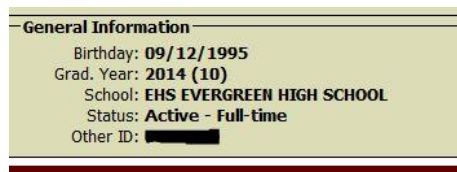

Then enter your login information here,

Once you are in there, click on Student Information...

About the middle of the page you will see this...The number listed under, other ID, is the number you will need to access your student account in Charms. (I have blacked out my own personal information here)

Once you have that number, log into www.charmsoffice.com, in the upper right hand corner, scroll your mouse over the word ENTER and then click Parents/Students/Members. In the next box enter evergreenHSBand and then click ENTER CHARMS.

Here is what you will see next...

This is where the number goes that you just found out on School Wires

Here is what you see on the next page. The only buttons that are live right now are calendar, email directors, handouts and files, update info and change password. I would like to encourage all of you to go into Charms and update your information. It is very important that we have your up-to-date information so we can get important booster information to you in a timely manner.
